Have Yourself A Merry Little Christmas

Eric Clapton

Have yourself a merry little Christmas

Let your heart be light

From now on your troubles will be out of sight

Have yourself a merry little Christmas

Make the Yuletide gay

From now on all our troubles will be miles away

Once again, as in olden days
Merry golden days of yore
Faithful friends who are dear to us
Will be near to us, once more

Someday soon we all will be together

If the fate's allow

Until then we'll have to muddle through somehow

So have yourself a merry little Christmas now
