

# How Long Blues

Eric Clapton

How long, baby how long,

**A** **A7**  
Has that evening train been gone?

**E** **H7** **E** **E**  
How long, how how long, baby how long?

Went to the station, didn't see no train.  
Down in my heart, I have an aching pain.  
How long, how how long, baby how long?

I feel disgusted, I feel so bad  
Thinking 'bout the good time that I once had had.  
How long, how how long, baby how long?

I could see the green grass growing on the hill;  
I ain't seen no greenback on a dollar bill.  
How long, how how long, baby how long?

You're gonna be sorry you feel so blue.  
When you want me, baby, I declare I want, want you.  
How long, how how long, baby how long?

Don't have no money for to ride the train.  
I would ride the rugs, baby, to be with you again.  
How long, how how long, baby how long?

How long, baby how long  
Must I keep my, my watching point?  
How long, how how long, baby how long?
