

It Hurts Me Too

Eric Clapton

C#

You said you was hurting, almost lost your mind,

F#

And the man you love, he hurts you all the time.

C#

As

When things go wrong, go wrong with you,

F#

C# As

It hurts me, too.

You love him more when you should love him less.

I pick up behind him and take his mess.

When things go wrong, go wrong with you,

It hurts me, too.

He love another woman and I love you,

But you love him and stick to him like glue.

When things go wrong, go wrong with you,

It hurts me, too.

Now you better leave him; he better put you down.

Oh, I won't stand to see you pushed around.

When things go wrong, go wrong with you,

It hurts me, too.
