1. What will you do when you get lonely

**C#mi C D E**

With nobody waiting by your side

**F#mi H E A**

You've been running and hiding much too long,

**F#mi H E**

You know it's just your foolish pride.

**A Dmi B C**

R: Layla, you got me on my knees.

**Dmi B C**

Layla, I'm begging darling please.

**Dmi B C Dmi B C**

Layla, darling won't you ease my worried mind.

2. Tried to give you consolation,  
Your old man won't let you down  
Like a fool, I fell in love with you,  
Turned the whole world upside down

R:

3. Let's make the best of the situation  
Before I fin'lly go insane.  
Please don't say we'll never find a way  
And tell me all my loves in vain
