Sometimes a girl
Will come and go
You reach for love
But life wont let ya know
That in the end
Youll still be lovin her
But then shes gone
Youre all alone

I never learned
To give myself
I've been a fool
Right now, I need someone else
Just like Boy Blue
I blow my horn for you
Just lead me home, baby
I should have known

Sign of pain
Is on my face, well
My hearbeat stops
But I wont take the blame, no no
I gave her all the love I had within
My love was strong
Somethin went wrong, no! no!

It takes a fool to learn
