

# Smokestack Lightning

Eric Clapton

Yeah, smokestack lightning  
Don't you hear me callin'?  
Don't you hear me callin' your name?  
Don't you hear me callin' you?  
Don't you hear me callin' you?  
Tell me where did you go last night?  
Gotta know who you been with.  
Tell me where did you go last night?  
Tell me where did you go?  
Tell me where did you go?  
Fare you well, goodbye, pretty baby  
Never see you no more, no more  
Fare you well, goodbye, pretty baby, goodbye  
Fare you well, goodbye  
Yeah, smokestack lightning  
Shining like gold  
Don't you hear me call out you?  
Don't you hear me callin' you now?  
Don't you hear me callin' you now?  
Ah, stop your train, yeah  
Let me go for a ride with you  
Let me go for a ride, oh stop your train now  
Oh, stop your train now  
Fare you well, goodbye, pretty baby  
Tell me where did you go?  
Why did you leave me, oh?  
Oh, fare you well, goodbye, goodbye
