

## Starbound

Eric Clapton

When you and I are ready, no longer earthly-bound  
We'll travel through the crystal night, starbound  
Heaven holds a mystery, wrapped inside a sound  
Through the eyes of time, starbound, you and I  
A floating star is what we are  
Suspended in space  
Outward-bound it's the only home we've found  
To save the human race  
Speed is now their captain, kings that lost their crown  
Motion is our master, starbound  
Starbound  
Starbound
