

Stone Free

Eric Clapton

Everyday in the week, I'm in a different city
If I stay too long, the people try to pull me down
They talk about me like a dog, talk about the clothes I wear
But they don't realize they're the ones who's square

Hey, and that's why you can't hold me down
I don't want to be down
I got to move on

Stone free, to do what I please
Stone free, to ride the breeze
Stone free, I can't stay
I got to, got to, got to get away right now

Listen to this baby
A woman here, a woman there, try to keep me in a plastic cage
But they don't realize it's so easy to break
Oh but sometimes I can, ha
I can feel my heart kind of running hot
That's when I got to move, before I get caught

Hey, and that's why, listen to me baby, you can't hold me down
I don't want to be tied down
I got to move on

Stone free, to do what I please
Stone free, to ride the breeze
Stone free, I can't stay
Got to, got to, got to get away
Got to, got to, got to get away

Stone free, to ride the breeze
Stone free, to do what I please
Stone free, I can't stay
Stone free, I got to, got to get away

Stone free
I'm gonna leave right now
Stone free
Don't try to hold me now, baby
Stone free
Moving on down the highway
Stone free
Got to, got to, got to get away

Stone free
Oh, yeah, baby
Stone free
