

# You've Changed

Eric Clapton

Gee, you've changed  
Since the day you told me your name  
Yes, you've changed  
Your kisses don't feel the same  
How, you've changed  
Our romance to a crazy game

First, you told me  
How you loved me and I believed  
Then you sold me  
On the vow that you'd never leave  
Now you scold me  
Caring not how my heart grieves

Oh, how I've loved you  
Since the day you told me your name  
Yes, I loved you  
Thinking you all the while felt the same  
And I'll still love you  
Even though I know you've changed
