

Ain't a Bad Thing

Claptone

Throw that other life off your shoulder
Come and lay yourself on my skin
Melting into the warmth of each other
I feel you pull me in
Ain't no shame in this surrender
Letting the fire win

Ain't a bad thing
Ain't a bad thing
It ain't a bad thing
Ain't a bad thing
...

Throw that other life off your shoulder
Come and lay yourself on my skin
Melting into the warmth of each other
I feel you pull me in
Ain't no shame in this surrender
Letting the fire win

Ain't a bad thing
Ain't a bad thing
It ain't a bad thing
Ain't a bad thing
...
