Claptone

You're beautiful  
Beautiful  
Beautiful  
Ain't no doubt

Some people  
Just do nothing  
You're not like them  
When seas are rough  
You got your light on  
To guide me home again

Don't stand  
Too far away  
Come closer (Come closer)  
'Cause I remember  
When you held me  
And gave me hope again

You're beautiful  
Inside out  
Head to toe  
Ain't no doubt

You're beautiful  
Inside out  
Head to toe  
Ain't no doubt

You're beautiful  
Inside out  
Head to toe  
Ain't no doubt

You're beautiful  
(Beautiful  
Beautiful  
Ain't no doubt)

Some people  
Take no notice  
You're not like them  
You're always there  
Arms wide open  
To pull me up again

Don't stand  
Too far away  
Come closer (Come closer)  
'Cause I remember  
When you held me  
And gave me hope again

You're beautiful  
Inside out  
Head to toe  
Ain't no doubt

You're beautiful  
Inside out  
Head to toe  
Ain't no doubt

You're beautiful  
Inside out  
Head to toe  
Ain't no doubt

You're beautiful  
Inside out  
Head to toe  
Ain't no doubt

(Beautiful  
Beautiful  
Beautiful  
Ain't no doubt)

You're beautiful  
(Beautiful  
Beautiful  
Ain't no doubt)

You're beautiful
