

Birdsong

Claptone

Birdsong
Cutting up the night
Swimming through the atmosphere
Got stuck
Reaching for a place
Thousand miles away from here

Ocean pass, a shiver in the westward
Stop strobing this way
'Cause the tide is standing over us
I watch it fade away

Birdsong
Cutting up the night
Swimming through the atmosphere
Got stuck
Reaching for a place
Thousand miles away from here

Ocean pass, a shiver in the westward
Stop strobing this way
'Cause the tide is standing over us
I watch it fade away
