

Come With Me

Claptone

Come with me
Tonight's the night
Can't you see
I want to be with you

Come with me
Tonight's the night
Can't you see
I want to be with you

I ain't gonna wait no more
I ain't gonna wait no more
I ain't gonna wait no more
I ain't gonna wait no more

I ain't gonna wait no, I ain't gonna wait no
I ain't going to wait no more

Come with me
Tonight's the night
Can't you see
I want to be with you

Come with me
Tonight's the night
Can't you see
I want to be with you

Come with me
Tonight's the night
Can't you see
I want to be with you

Come with me
Tonight's the night
Can't you see
I want to be with you

I ain't gonna wait no more
I ain't gonna wait no more
I ain't gonna wait no more
I ain't gonna wait no more

I ain't gonna wait no, I ain't gonna wait no
I ain't gonna wait no, I ain't gonna wait no
I ain't gonna wait no, I ain't gonna wait no
I ain't gonna wait no more
