

Cruising (So They Say)

Claptone

Don't sweat it, we gon' get it, get it
Don't sweat it, we gon' get it, get it
Don't sweat it, we gon' get it, get it
Don't sweat it, we gon' get it, get it
Don't sweat it, we gon' get it, get it
Don't sweat it, we gon' get it, get it
Don't sweat it, we gon' get it, get it
Don't sweat it, we gon' get it, get it

Cruising through the streets at night
The world is sleeping
Breaking hearts and starting fights
Getting older

Cruising through the streets at night
The world is sleeping
Before the hype fades to white
In the backseat we're taking flight

A way, a way
There's got to be a way
A way, a way
As we race the break of day
So they say

Don't sweat it, we gon' get it, get it
Don't sweat it, we gon' get it, get it
So they say
Don't sweat it, we gon' get it, get it
Don't sweat it, somebody tell me
Cruising through the streets at night
The city keeps no respite
Before the hype fades to white
In the backseat we're taking flight

A way, a way
There's got to be a way
A way, a way
As we race the break of day

Take me to the place the music plays
Where no one knows our name or even cares
A way, a way
There's got to be a way

Don't sweat it, we gon' get it, get it
Don't sweat it, we gon' get it, get it
So they say
Don't sweat it, we gon' get it, get it
Don't sweat it, we gon' get it, get it
So they say
Don't sweat it, we gon' get it, get it
Don't sweat it, we gon' get it, get it
So they say
Don't sweat it, we gon' get it, get it
Don't sweat it, we gon' get it, get it
Somebody tell me
