

can't wait to see you on christmas day

Clara Benin

I can't wait to see you on Christmas day
My heart is filled with joy when I see your face, I can't wait
No, I can't wait to see you on Christmas day

I've been hanging up lights since the first of September
Oh, it's not the fights, it's the laughter I'll remember
I've never seen snow, but what does it matter
When all my longing finds hope in the faces I call home

I can't wait to see you on Christmas day
There's something about your voice keeps all my troubles away,
I can't wait
No, I can't wait to see you on Christmas day

All the wholesome conversations and harmonious reunions
What more can I ask for but this?
So forget all the noise, take all the polaroids
Don't think about it too much

'Cause the older I get, the more time I spend
Looking back at the good old days
Oh, I really can't wait to see you on Christmas day

I can't wait to see you on Christmas day
I can't wait to see you on Christmas day
No, I can't wait to see you on Christmas day
I can't wait to see you on Christmas day

(Merry Christmas)
