

## Enemy

Clara La San

Don't like your energy  
I'm not the enemy  
Talk to me terribly when you  
Scream out profanity  
Just to embarrass me  
All 'cause of jealousy

Do you  
Think that I want you back?  
I don't want none of that  
Yes that's matter of fact  
Who knew  
You would come running back  
Act like you're none of that  
Say things you never have  
Just to

'Cause you know, know I want it, I want it  
But I can't do it anymore, yeah  
And I know, know you need it  
But it hurt yeah, it hurt me more, yeah

Look what you did to me  
Lost my identity  
Fucked me up mentally  
Still you  
Try to get through to me  
Act like you're heavenly  
I'm not a fool to see  
That you  
Get what you want and leave  
I'm still in disbelief  
Can't let you get to me  
Who knew  
You would come running back?  
Act like you're none of that  
Say things you never have  
Just to

'Cause you know, know I want it, I want it  
But I can't do it anymore, yeah  
And I know, know you need it  
But it hurt yeah, it hurt me more, yeah

Is that not enough for you?  
We've been through enough, yeah  
Yeah, yeah  
Is that not enough for you?
