

## Call Your Girlfriend

Clara Mae

Call your girlfriend  
It's time you had the talk  
Give your reasons  
Say it's not her fault  
But you just met somebody new

Tell her not to get upset  
Second guessing everything you've said and done  
And when she get upset  
Tell her that you never meant to hurt no one

You just tell her that the only way her heart will mend  
Is when she learns to love again  
But it won't make sense right now  
But you're still her friend  
And then you let her down easy

Call your girlfriend  
It's time you had the talk  
Give your reasons  
Say it's not her fault  
But you just met somebody new

Don't you tell her that I give you  
Something that you never even knew you missed  
Don't you even try to explain  
How it's so different when we kiss

Yeah, you just tell her that the only way her heart will mend  
Is when she learns to love again  
But it won't make sense right now  
But you're still her friend  
And then you let her down easy

Call your girlfriend  
It's time you had the talk  
Give your reasons  
Say it's not her fault  
But you just met somebody new

And now it's gonna be me and you
