

## Not Ok

Clara Mae

I opened the door, know you be sleeping  
I lay down with you if you only knew  
Where I have been, what I've been up to  
It would kill you, yeah  
As soon as you wake I have to say it  
And tell you 'bout him, let it sink in  
Want you to know it didn't mean anything, no  
Nothing to me, no

I don't know why I did what I did  
I followed him home  
I don't know why I did what I did  
But it felt like a good idea at the moment  
And it felt like a good idea just to hold him  
For one night

I say, I say it's okay  
If you want me gone I'm on my way  
I say it's okay, hey  
I know what I've done, it's no mistake  
If I could undo just the night  
When I had his body next to mine  
It would be okay, but we're not okay

You're looking at me like I'm a stranger  
You pack up my stuff and calling it off  
I sit on the bed screaming, "I'm sorry"  
But sorry ain't enough, no

I don't know why I did what I did  
I followed him home  
I don't know why I did what I did  
But it felt like a good idea at the moment  
And it felt like a good idea just to hold him  
For one night

I say, I say it's okay  
If you want me gone I'm on my way  
I say it's okay, hey  
I know what I've done, it's no mistake  
If I could undo just the night  
When I had his body next to mine  
It would be okay, but we're not okay

I say, I say it's okay  
If you want me gone I'm on my way  
I say it's okay, hey  
I know what I've done, it's no mistake  
If I could undo just the night  
When I had his body next to mine  
It would be okay, but we're not okay

Standing in the hallway  
Tried to rub my head from how I ruined all the good things  
I go back to bedroom to see if you have changed your mind  
But you ask if I would leave soon

I say, I say it's okay  
If you want me gone I'm on my way  
I say it's okay, hey  
I know what I've done, it's no mistake  
If I could undo just the night  
When I had his body next to mine  
It would be okay, but we're not okay ('Cause I'm not)

Ruined all the good things  
Ruined all the good things  
Ruined all the good things, good things  
Ruined all the, ruined all the good things  
Ruined all the good things  
Ruined all the good things, good things  
Ruined all the, ruined all the good things  
Ruined all the good things  
Ruined all the good things, good things  
Ruined all the, ruined all the good things
