

# Rooftop

Clara Mae

I'm on the rooftop  
I'm on the rooftop

It's been a week  
So much stronger than what we are used to  
It's hard to sleep  
Like I forgot how to do it without you  
But I'm not enough, I'll always do it again  
We keep on finding ways to let it happen  
You see, I find your way  
I'm a door, I'm a gotour

It's like head  
Like nothing I've ever felt  
Why am I doing it to myself  
When I know that you're doubt and you're paying off trying

Up on that rooftop  
You told me that you don't care  
Turn all the lights off  
So where do we go from here?  
Up on that rooftop  
You told me that you don't care  
Turn all the lights off  
So where do we go from here?

I'm on the floor  
With my head to the wall, and I'm thinking  
I'm feeling turned  
I bet you're calling 'cause you've been out drinking  
I thought you said that it would never happen  
That you would done and I would do it again  
What for?  
Do we pretend that we not gonna miss it?

It's like head  
Like nothing I've ever felt  
Why am I doing it to myself  
When I know that you're doubt and you're paying off trying

Up on that rooftop  
You told me that you don't care  
(you told me that you don't care)  
Turn all the lights off  
So where do we go from here?  
Up on that rooftop  
You tell me I'm wasting tears  
Turn all the lights off  
So where do we go from here?

Whe-whe-where do we go, where do we go  
Whe-whe-where do we go from here?  
Whe-whe-where do we go, where do we go  
Whe-whe-where do we go from here?

It's like head  
Like nothing I've ever felt

Why am I doing it to myself  
When I know that you're doubt and you're paying off trying

Up on that rooftop  
You told me that you don't care  
(you told me that you don't care)  
Turn all the lights off  
So where do we go from here? (where do we go from here?)  
Up on that rooftop  
You told me I'm wasting tears  
Turn all the lights off  
So where do we go from here?

Whe-whe-where do we go, where do we go  
Whe-whe-where do we go from here?  
Whe-whe-where do we go, where do we go  
Whe-whe-where do we go from here?  
Where do we go from here?

I'm on the rooftop  
I'm on the rooftop
