

# Foolish

Clara

Kinda like this conversation  
I think you should keep talking  
(Ah-ooh) Everybody's dancing  
But you're way more entertaining  
Can't let you know what I'm thinking  
But my mind won't stop running wild  
Promise I would be behaving  
But you made it complicated, oh-oh

Please don't look at me like that  
Don't you know that ain't wise?  
You ain't even gotta ask  
If I'm having a good time  
How we get here so fast  
When we wanted to go slow?  
Now I'm changing my mind, oh  
I'm kinda losing control

I really want a boyfriend  
But I kinda want you this one time  
I don't usually do this  
But fuck it if it's foolish  
I know that you want a girlfriend  
And I'm gonna be that for the night  
I don't usually do this  
But fuck it if it's foolish

I know I said that I'm leaving  
But I will if you're coming too  
But to have an early evening  
'Cause you're kinda convincing  
I should have you guessing  
But tonight, just give me what I want  
A cheap thrill that I'm needing  
So baby, can't you get to pleasing? Oh-oh

Please don't look at me like that  
Don't you know that ain't wise?  
You ain't even gotta ask  
If I'm having a good time  
How we get here so fast  
When I wanted to go slow?
