Legend

Clara

Rather live in a ghost town
Nothing but two faced people around
They actin' so nice but they're lying to my face
I know it's all fake, can't keep their stories straight

Yeah, these people, they got no respect
Wanna be friends, but talking trash behind my back, yeah
Ain't nobody got the time for that, nah

I don't have the energy to cope with all this fake shit anymore
It's a waste of time and life's too short
I don't wanna waste another second
I'm so over it, I'm so done with it
Like me fine, if not, ain't my problem
Either way I'll be out here ballin'
I don't wanna waste another second
I'm too busy living like a legend
(I'm too busy living like a legend)
(I'm too busy living like a legend)

Clean slate, let my past go (Go)
In a room full of fakes I feel alone (Alone)
Don't wanna hang with these half ass friends no more
So I cut them off, keep my circle small
Now I'm better than I've ever been before
I'm the bomb baby, so done with being insecure

Yeah, these people, they got no respect
Wanna be friends, but talking trash behind my back, yeah
Ain't nobody got the time for that, nah

I don't have the energy to cope with all this fake anymore
It's a waste of time and life's too short
I don't wanna waste another second
I'm so over it, I'm so done with it
Like me fine, if not, ain't my problem
Either way I'll be out here ballin'
I don't wanna waste another second
I'm too busy living like a legend
(I'm too busy living like a legend)
(I'm too busy living like a legend)

New shoes and a Fendi bag
Put it on the 'gram, no hashtag
Lookin' lavish but I ain't stacked
Just wanted validation bad
We're so damn busy
Photographin' everything
Now my entire life
Feels like a goddamn flashback

I don't have the energy to cope with all this fake shit anymore
It's a waste of time and life's too short
I don't wanna waste another second
I'm so over it, I'm so done with it
Like me fine, if not, ain't my problem
Either way I'll be out here ballin'

I don't wanna waste another second
I'm too busy living like a legend
I don't care no, I don't care no
I'm too busy living like a legend
I don't care no, I don't care no
I'm too busy living like a legend
Like me fine, if not, ain't my problem
Either way I'll be out here ballin'
I don't wanna waste another second
I'm too busy living like a legend
