

# Liar

Clara

I say I don't mind (what?)  
You're going out, but I do  
You say you'll be back  
Around twelve, hope that's true (yeah-yeah)

Should cut you off, but I keep on forgiving  
All the stupid shit you do  
I'm selling myself lies when I say I'm leaving  
Know I should 'cause, baby, you

You're a liar, you're a liar  
You might get burnt the way you play with fire, play with fire (yeah-yeah-yeah)  
Don't you say I'm the one you want, oh-oh  
'Cause you don't love nobody but yourself, no-no (yeah)

Don't-don't you say I'm the one you want, oh-oh  
'Cause you don't love nobody but yourself, no-no

It's four A.M and I am fast asleep  
So I can't get the phone  
Yeah, you must be the way to make me leave  
So now you're all on your own  
What happened to innocent and to proving your deed?  
There's nothing to forgive me for, I'm yours (I'm yours)  
Yeah, you can listen to the friends that I don't have (I don't have friends)  
It's true, I love myself but I can love you more (oh-oooh-oh-oh)

You're a liar, you're a liar  
You might get burnt the way you play with fire, play with fire (play with fire)  
Don't you say I'm the one you want, oh-oh  
'Cause you don't love nobody but yourself, no-no

Don't-don't you say I'm the one you want, oh-oh  
'Cause you don't love nobody but yourself, no-no

This ain't really what I want  
This ain't really what I need (skrrt)  
I was focusing on us  
You was focusing on me (wow)  
Now I got you feeling FOMO  
'Cause the shit you didn't see (see)  
Keep on lying to yourself, babe  
Can't you see the irony?  
We turned from lovers to liars  
You cut me off like the lighter  
You know you're playing with fire  
Saying our love is expired (oh-oooh-oh-oooh-oh)  
But ain't nothing [?]  
I just need you to believe  
I ain't nothing like an ex  
So why you keep on telling me (ooh-oooh)

You're a liar, you're a liar  
You know you love the way you play with fire, play with fire  
Nah, don't you say I'm not the one you want, oh

'Cause we don't love nobody but ourse-e-e-elves

You're a liar, you're a liar (you're a liar)

You might get burnt the way you play with fire, play with fire (play with fire)

Don't you say I'm the one you want, oh-oh (yeah-yeah-yeah)

'Cause you don't love nobody but yourself, no-no (yeah)

Why you always lying?

Don't-don't you say I'm the one you want, oh-oh

Why-why you always lying?

'Cause you don't love nobody but yourself, no-no
