

# Liar

Clara

I say I don't mind  
You're going out, but I do  
You say you'll be back  
Around twelve, hope that's true

Should cut you off, but I keep on forgiving  
All this stupid shit you do  
I'm selling myself lies when I say I'm leaving  
Know I should 'cause, baby, you

You're a liar, you're a liar  
You might get burnt the way you play with fire, play with fire  
Don't you say I'm the one you want, oh-oh  
'Cause you don't love nobody but yourself, no-no  
Don't-don't you say I'm the one you want, oh-oh  
'Cause you don't love nobody but yourself, no-no

It's four A.M  
And you're not coming home  
Been calling all night  
It's going straight to your [?]

Should cut you off, but I keep on forgiving  
All this stupid shit you do  
I'm selling myself lies when I say I'm leaving  
Know I should 'cause, baby, you

You're a liar, you're a liar  
You might get burnt the way you play with fire, play with fire  
Don't you say I'm the one you want, oh-oh  
'Cause you don't love nobody but yourself, no-no  
Don't-don't you say I'm the one you want, oh-oh  
'Cause you don't love nobody but yourself, no-no

Yeah, you've been around these days, we've been in different beds  
And I didn't want to think that it was true  
But I've learned from all your friends telling me where you've been  
There's no doubt about it, you and me are through  
You're messing with my head with all these stupid games you're playing  
You tell me you've changed, but you never learn your lesson  
Yeah, you've been around these days, we've been in different beds  
You make it easy to get over you

You're a liar, you're a liar  
You might get burnt the way you play with fire, play with fire  
Don't you say I'm the one you want, oh-oh  
'Cause you don't love nobody but yourself, no-no  
You're a liar, you're a liar  
You might get burnt the way you play with fire, play with fire  
Don't you say I'm the one you want, oh-oh  
'Cause you don't love nobody but yourself, no-no

Why you always lying?  
Don't-don't you say I'm the one you want, oh-oh  
Why you always lying?  
'Cause you don't love nobody but yourself, no-no
