

Nobody's Lover

Clara

Bad mood in the morning
Zero communication
I should come with a warning
It's what they all say about me
You wanna cuddle
But I need my space to sleep
You like to hold hands in public
All the things I just can't, babe

And he's being so goddamn patient
Gotta be patient with me
He doesn't mind the way my mood is always changing
I'm complicated, baby

But I don't wanna be
I don't wanna be nobody's lover
I'm losing myself whenever I'm with you
So now, let me be
I'm loving myself, don't need another (Why?)
To make me feel I'm good enough, it's true

Girl, why you running?
Don't need no new relation (Don't need)
I'm up where the sun is
For you (Yeah, yeah)
Stop making it hard for me to love you
We are off and now we are on
Wearing a mask, you know I see through
Can you see that I'm the one? (Yeah)

And I've been so goddamn patient (Patient)
Gotta be patient, it's true (It's true, it's true), yeah
You know that I keep waiting (Waiting)
So complicated with you

But I don't wanna be
I don't wanna be nobody's lover
I'm losing myself whenever I'm with you (Whenever you're with me)
So now, let me be (Loving only yourself)
I'm loving myself, don't need another (Oh-oh)
To make me feel I'm good enough, it's true (You only love yourself)

Oh, I love me-e-e-e (I love myself)
Oh, I love me-e-e-e (I love myself)
Oh, I love me-e-e-e (I love myself)
I love myself, don't need another
Myself, don't need another

And whenever I'm uncertain 'bout myself
You're the one I turn to, and it makes me insecure
'Cause we wouldn't last a day, no
Still doesn't feel like, feel like old with you

But I don't wanna be (Oh, no)
I don't wanna be nobody's lover
I'm losing myself whenever I'm with you
So now, let me be (Oh)

I'm loving myself, don't need another
To make me feel I'm good enough, it's true (Oh-oh)

Oh, I love me-e-e-e (I love myself, why don't you love me?)
Oh, I love me-e-e-e (I love myself, why don't you love me?)
Oh, I love me-e-e-e (I love myself, you only love yourself)
I love myself, don't need another
Myself, don't need another
Me-e-e-e (I love myself, why don't you love me?)
Oh, I love me-e-e-e (I love myself, you only love yourself)
Oh, I love me-e-e-e (I love myself, you only love yourself)
I love myself, don't need another
Myself, don't need another
