

Slippin'

Clara

I'm making up a story, it's not like I'm a criminal
I'm feeling myself, it won't hurt if you never know, never know
I like this conversation, I don't know where it's gonna go
I don't wanna lie but my tongue keeps on moving slow, moving slow

You get to know me
But let's keep it undercover
Oh, no
This is getting out of hand
I know you told me
We were supposed to love each other
I don't know ya
And I got somebody else

Boy, I'm slippin' up
And I can't ignore what you got in store
Just give it up
I'm serious
Boy, I'm slippin' up
Maybe you should know I really gotta go
Just give it up
I'm serious

I know I'm out of line, but I really want you to stay
I might be actin' silly but you make me wanna misbehave, misbehave
I know what's gonna happen when you start giving dogs a bone
I don't wanna lie, don't ask, you already know, already know

You get to know me
But let's keep it undercover
Oh, no
This is getting out of hand
I know you told me
We were supposed to love each other
I don't know ya
And I got somebody else

Boy, I'm slippin' up
And I can't ignore what you got in store
Just give it up
I'm serious
Boy, I'm slippin' up
Maybe you should know I really gotta go
Just give it up
I'm serious

Give it up, boy, just give it up now
Give it up, give it up
Give it up, boy, just give it up now
Give it up, give it up
Give it up, boy, just give it up now
Give it up, give it up
Give it up, boy, just give it up now
Give it up, give it up

Boy, I'm slippin' up
And I can't ignore what you got in store

Just give it up
I'm serious
Boy, I'm slippin' up
Maybe you should know I really gotta go
Just give it up
I'm serious
Boy, I'm slippin' up
And I can't ignore what you got in store
Just give it up
I'm serious
Boy, I'm slippin' up
Maybe you should know I really gotta go
Just give it up
I'm serious

I'm serious
I'm serious
