

Her Strut

Clare Dunn

She's totally committed, to major independence
Yeah, she's a lady through and through
She gives them quite a battle, all that they can handle
She'll bruise some, she'll hurt some too

But oh, they love to watch her strut
Oh, they do respect her, but
They love to watch her strut, uh

Sometimes they want to leave her, just give up and leave her
But they would never play that scene
In spite of all her talking, once she starts in walking
The lady will be all they ever dreamed

But oh, they love to watch her strut
Oh, they'd kill to make the cut
They love to watch her strut

Oh, they love to watch her strut
Oh, they do respect her, but
They love to watch her strut, uh

Love to watch her strut...
