

Honestly

Clare Dunn

Gonna be honest
Haven't been in the longest time
And it's overdue
Got some things I guess
I need to get off my chest
There's a line you crossed
Between me and you

I ain't holdin' back
I'm all done with that

Yeah, honestly
You a wannabe, wanna be the big dog, wanna call the big shots
Wanna piece of every little thing that you ain't got
You a primadonna, think you walk on water
Yeah, sneak a sucker punch, stab somebody in the back
Like guess you think that they ain't supposed to fight back
Well, honestly where do you get off, honestly

Sometimes it's hard to find
Cause the truth sure can take its time
Can't be rushed, but when it shows up
It shines

Yeah, honestly
You a wannabe, wanna be the big dog, wanna call the big shots
Wanna piece of every little thing that you ain't got
You a primadonna, think you walk on water
Yeah, sneak a sucker punch, stab somebody in the back
Like guess you think that they ain't supposed to fight back
Well, honestly where do you get off, honestly

Honestly, tell me honestly
Who do you think you are

Yeah, honestly
You a wannabe, wanna be the big dog, wanna call the big shots
Wanna piece of every little thing that you ain't got
You a primadonna, think you walk on water
Yeah, sneak a sucker punch, stab somebody in the back
Like guess you think that they ain't supposed to fight back
Well, honestly where do you get off, honestly
Honestly, honestly, honestly
Honestly, baby
