

## I Can't See Myself

Clarence Carter

Peace go with you, darling  
As you prepare to walk out of my life  
I hope you find your somewhere  
And make some man a good wife  
But I just can't see myself  
No, I can't see myself crying about you

Listen  
Oh we used to have some good times  
Sure we had a lot of fun  
But every time we had a little fight  
You'd find somewhere to run  
That's why I say I can't see myself  
No, I can't see myself crying about you

Now all of my friends told me about  
How you laughed and you bragged and you

You kept on a boasting about  
How you're gonna leave me holding the bag  
But I'll get over you  
I'll get over you

So you can go now, darling  
I know you wanna play the field

And you're gonna tell everybody that  
That I gave you a low down deal  
But, but I just can't see myself  
No, I can't see myself crying about you  
I ain't gonna cry, baby  
No no, ain't gonna cry  
Ain't gonna cry, ain't gonna cry  
Ain't gonna cry, ain't gonna cry  
No no no, about you, baby...
