

It's All In Your Mind

Clarence Carter

There's A Kind Of Hush All Over The World Tonight
all over the world You can hear the sounds of lovers in love
You know what I mean.
Just the two of us and nobody else in sight
There's nobody else and I'm feeling good just holding you tight
.

So listen very carefully
Closer now and you will see what I mean
It isn't a dream.
The only sound that you will hear is
when I whisper in you ear, I love you, forever and ever.
There's A Kind Of Hush All Over The World Tonight
all over the world You can hear the sounds of lovers in love.
