It's All In Your Mind

Clarence Carter

There's A Kind Of Hush All Over The World Tonight all over the world You can hear the sounds of lovers in love You know what I mean. Just the two of us and nobody else in sight There's nobody else and I'm feeling good just holding you tight .

So listen very carefully Closer now and you will see what I mean It isn't a dream. The only sound that you will hear is when I whisper in you ear, I love you, forever and ever. There's A Kind Of Hush All Over The World Tonight all over the world You can hear the sounds of lovers in love.
