

Hangin' On

Class Actress

It's just an excuse to be lonely
'Cause you know you're the only one for me
All the business, love tricks
You know it's true face things

The way you put my head
The way you hold my neck
The way throw me down
On the bed
Against the wall
Hands on my waist
I can hardly breath
I can hardly wait

You keep me hangin' on, hangin' on
Keep me hangin' on, hangin' on
No escape, no escape
Wondering, wondering
What I do, what I do
To do it wrong
Would you walk away
Can you get away
Just a little things that you do

It's just an excuse to be lonely
Because you know you're the only one I use
I think you following, you following me
But going you

The way you put my head
The way you hold my neck
The way throw me down
On the bed
Against the wall
Hands on my waist
I can hardly breath
I can hardly wait

You keep me hangin' on, hangin' on
Keep me hangin' on, hangin' on
No escape, no escape
Wondering, wondering
What I do, what I do
To do it wrong
Would you walk away
Can you get away
Little things that you do

Crazy love
Nothing I can do about it
Crazy love
What you gonna do about it
Crazy love
Nothing I can do about it
Crazy love
What you gonna do about it

You keep me hangin' on, hangin' on
Keep me hangin' on, hangin' on
No escape, no escape
Wondering, wondering
What I do, what I do
To do it wrong
Would you walk away
Can you get away
Little things that you do
