

Limousine

Class Actress

Wouldn't it be, wouldn't it be nice to let go?
Nothing I can do about it, you won't let me in or let go
All you do is talk about it, all you do is say no
I don't know if I can wait it out
Are you trying to break me in or break out?

Riding in the back of a limousine
Take me down on hotel sheets
Oh, say you will, you better say you will
Riding in the back of a limousine
Take me down on hotel sheets
Oh, say you will, you better say you will

Hush, hush, hush now baby
Better close your eyes

Nothing I can do about it, you won't let me in or let go
All you do is talk about it, all you do is say no
I don't know if I can wait it out
Are you trying to break me in or break out?

I know, I know
Heartbreak you're waiting for me
I know, I know
Heartbreak but it's right there to me

Riding in the back of a limousine
Take me down on hotel sheets
Oh, say you will, you better say you will
Riding in the back of a limousine
Take me down on hotel sheets
Oh, say you will, you better say you will

Hush, hush, hush now baby
Better close your eyes
Hush, hush, hush now baby
Better wait for me

Won't recognize to let go
