

# Saint Patrick

Class Actress

I hear you've got a new obsession  
And she looks nothing, nothing like me  
Of all your worldly possessions  
You think she's all you'll ever need  
Well, it's not fair, it's not game  
It's not the way, the way things should be

I gave you everything  
I gave myself down to the knees  
I gave you everything  
Still you make me  
Still you make me plead

(Oh, you) Saint Patrick gone to far this time (Do do do do)  
(Oh, you) Saint Patrick gone to far this time (Do do do do)  
(Oh, you) Saint Valentine this time (Do do do do)  
(Oh, you) Running out of time, this time

Our style it was sharp and simple  
Everyone wants to be you or me  
Cut throat and quintessential  
How could we be so, so naive  
Well, it's not fair, it's not game  
You can't take back  
What you took from me

I gave you everything  
I gave myself down to the knees  
I gave you everything  
Still you make me  
Now you watch me leave

(Oh, you) Saint Patrick gone to far this time (Do do do do)
