

## Pity The Fool

Classics IV

Fools could cry for you  
Well I can't take it no more  
And walk out the door  
Will there be someone?  
If there is someone?  
I pity the fool  
Pity the fool

Will there be another fool like me  
Standing in line  
With love on his mind  
Will there be someone?  
If there is someone?  
I pity the fool  
Pity the fool

I took as much as I could stand from you  
This time I'm really through with you  
You can't make me come back  
Don't try

This time it's really goodbye  
Oh what's the use  
Of finding some excuse  
To come back to you  
Like I always do

I'll be that someone  
Yes I'll be that someone  
So pity the fool  
Pity the fool  
Pity the fool
