Uh, it feels like it's gonna be a beautiful day  
(Yeah, yeah, yeah)  
Please, don't stop

Kay, I never will  
I saw the sunshine rising and my life changed  
I saw a different point of view within my price range  
Oh yeah, it's high stakes  
Trying to get your mind straight  
Filling up on rice cakes and carbohydrates  
Boy, I'm energized (uh)  
At 25, I built an enterprise  
I built a life that I won't jeopardize  
I tried to tell them winter's coming they say winter fell  
I put my life behind these bars but never been to jail  
Who wanna take this from me, while I'm out enjoying my bread  
I tried to walk away from it, but I heard that voice in my head  
Saying please, don't stop  
Yeah, okay, I never will  
What if heaven and hell ain't a place you go to die (but)  
It's a state of mind, you live or you're alive (huh)  
Been thinking 'bout a couple things having withdraw  
Rolling up a joint, trying to make sense of it all  
Aw nah  
I can't stop it with the weed talk  
'Cause yesterday I made a grand off of weed stock  
And they still tell me that I'm wrong, check your facts stupid  
Disappointment builds character, adapt to it  
Appreciate the little things, little things (uh)  
You never know what it'll bring, it'll bring  
It's the day that you been waiting on, the day that things change  
Yeah, I talk a big game but back it up like King James  
When I hear 'em say  
Please, don't stop  
And now you see 'em say  
Please, don't stop  
(Don't stop, don't stop)

Feels good  
Just let the beat ride
