We live in a confused place
Half the world starving and the rest are tryna lose weight
We just wanna make it to tomorrow
Hoping that our mortgages hold up and never foreclose
But they say with every door close, another one opens
I ain't sure what's coming for me, and ain't sure where I'm going
But it's never too late to correct it, when you feeling neglected
Thinking the likes on your picture is my contestant

So baby, slow it down yeah, I know it now
It might take some time to come around
But hold it down 'til the sun is out
Come on
