Shut the whole thing down

Shut the whole thing down

Don't know about me, don't know about you
Don't know where I've been, or what I been through
Before you get close, just know that it's true
If I ain't all in, don't get it confused
Cause I got trust issues, yeah
I got trust issues, yeah
Don't know about you, don't know about me
Don't know what I do, don't know what I see
Before we get close, better follow my lead
If I ain't all in just know that it's me
And I got trust issues (yeah, yeah)

Ooh, I hate to say its so, but I don't trust ya soul
People pulling on my strings like it's a puppet show
For anybody I don't know, leave me the fuck alone
Cause I ain't comfortable to be in crowds like a buffalo, wait
Looking at your picture like what's real or not
To many filters on your face baby, peel it off
Always gotta take a smell of what that dealer brought
They say it's skunk marijuana,when it's bunk marijuana
We don't jump when you wanna
Best believe it, believe it

They'll break bread with you then double cross you like Jesus (oh)
We used to say don't believe it till you see it
But now a days even seeing it don't guarantee it

Don't know about me, don't know about you
Don't know where I've been, or what I been through
Before you get close, just know that it's true

Shut the whole thing down

Yeah, it takes a lot for me to take your word
Cause I had a couple times imma say it first
My ex cheated on me I was out the door
My next girl always had to prove that she was out for more, wait
You talk a lot of game but we just don't believe you
You need to tighten up your lips baby do some keegals
I ain't ya boy, I ain't your friend, you need to tell your people

I don't associate with liars, like a paralegal
Maybe I'm too skeptic I was too naive
They told me tighten up my circle and it's cool by me
Cause, now a days they crying for the views
Lying on the news and hiding from the truth (about trust)

Don't know about me, don't know about you
