

# Give It To Me

Classless Act

Even if I was a millionaire  
And walked around as if I didn't care  
There ain't no gold enough to kill my greed  
Just missing one thing that I need  
Oh, please mama

Give it to me! Give it to me!  
What I've been looking for  
Ya got what I need  
Your love is the drug and I'm down on my knees  
Cause I know what I want  
So now you got to give it to me!

And even if I had no shoes on my feet  
Nothing to smoke and not a thing to drink  
I'd even walk on broken glass, it's true!  
There ain't a hit that gets me higher than you -  
So please mama

Give it to me! Give it to me!  
What I've been looking for  
Ya got what I need  
Your love is the drug and I'm down on my knees  
Cause I know what I want  
So now you got to give it to me!

Hit me! Hit me!

Oh, she's going down, down, down  
Woah, I'm going down, down, down  
Well, girl, you know you got this...  
One thing, I need

Give it to me! Give it to me!  
What I've been looking for  
Ya got what I need  
Your love is the drug and I'm down on my Knees  
Cause I know what I want and  
You got what I need

Give it to me! Give it to me!  
What I've been looking for  
Ya got what I need  
Your love is the drug and I'm down on my Knees  
Cause I know what I want  
So now you got to give it to me!
