

# This Is For You

## Classless Act

Hey!

I don't know why you'd try to break me  
I guess I shoulda known right from the start  
No matter what you say, you'll never shake me  
I gave you everything, not just my heart  
I gave you all my blood my sweat my tears  
My deepest darkest fears

This is for you, all I do  
This is for you, but all these needs never  
Seem to meet on one way streets  
I waste my time just trying to please you  
All my blood, my sweat, my tears  
My deepest darkest fears  
This is for you

But nothing seems to do  
I've been a fool for you right from the start  
I'd even give you the song if it would please you  
And if it ain't enough, here's my bleeding heart  
Cause I gave you  
All my love, my hate, my sex, my checks  
So cavalier

This is for you, all I do  
This is for you, but all these needs never  
Seem to meet on one way streets  
I waste my time just trying to please you  
All my blood, my sweat, my tears  
My deepest darkest fears  
This is for you

Nah nah nah  
Nah nah nah nah nah  
Nah nah nah

Nah nah nah  
Nah nah nah nah nah  
Nah nah nah

This is for you  
All I do  
This is for you  
But all those needs never seem to meet on one-way streets  
I waste my time just trying to please you  
Please you, please oh please  
Waste my day just trying to please you  
All my blood, my sweat, my tears, my deepest darkest fears  
All my love, my hate, my sex, my checks  
So cavalier  
This is for you
