

Time To Bleed

Classless Act

Tell your momma, baby, tell your friends
We're coming up so fast, we're gonna get the bends

And even though the earth's on fire
Waiting for the next Messiah
We still got a job to do
Turn on, tune in and break the news

Time to bleed
When the world is so broken, it will not mend
Ain't got time to bleed
If it's the end of the beginning or beginning of the end
It's alright
It's alright

Oh, oh
Oh, oh
Oh, oh

Woke ain't a word, I think you mean awakened
If you call that an action, I suggest you're mistaken

I know you think you're, oh, so deep
I'll let you get-a back to sleep
We still got a job to do
Turn off, check out, you've heard the news

Time to bleed
When the world is so broken, it will not mend
Ain't got time to bleed
If it's the end of the beginning or beginning of the end
It's alright

On the tip of time's arrow
Wondering where the life we knew went
The journey into chaos ain't descent

Time to bleed
When the world is so broken, it will not mend
Ain't got time to bleed
If it's the end of the beginning or beginning of the end

Time to bleed
When the world is so broken, it will not mend
Ain't got time to bleed
If it's the end of the beginning or beginning of the end
It's alright
It's alright

Oh
