

Guard Down

Claud

I haven't seen you since the summer
We're getting further from each other
I guess there's something in the water
And it's only getting harder

I've been staying in Chicago
But I'm coming back tomorrow
You're seeing someone, I'm not though
And that feels really awful

[illegible]

I miss your room and your best friends
Running my hands on your necklace
I need to sit out need to take a break now
Before I have to walk out

[illegible]

Ye-ah-yeah don't let your guard down
Ye-ah-yeah don't let your guard down
Ye-ah-yeah don't let your guard down
Ye-ah-yeah don't let your guard down

I've been hanging out by myself a lot
I'm turning twenty-one in a couple months
And I heard that life gets easier
Hope this shit gets breezier
I get fucking greedier knowing that you're seeing her, no
I wanna go back, throw another kick back
Meet me in the bathroom I think I really need that
There's nothing, like nothing like
Nothing like a New York summer
There's nothing, like nothing like

[illegible]

Ye-ah-yeah don't let your guard down
Ye-ah-yeah don't let your guard down (nothing like a New York summer)
Ye-ah-yeah don't let your guard down
Ye-ah-yeah don't let your guard down
Ye-ah-yeah don't let your guard down
Ye-ah-yeah don't let your guard down (nothing like a New York summer)
Ye-ah-yeah don't let your guard down
Ye-ah-yeah don't let your guard down

There's nothing like, nothing like
Nothing like a New York summer
There's nothing like, nothing like
Nothing like a New York summer
Nothing like, nothing like
Nothing like, nothing like
