

## Jordan

Claud

Jordan  
It's July in  
The city again  
Spending  
Ya' time with  
The same friends

How do I reach you, baby?  
I've been thinking lately that you're  
Too good for me  
How do I tell you, darling?  
I've been underwater  
I can't breathe

I don't  
Wanna  
Deal with  
Drama  
Tryna'  
Pretend  
This is not my problem  
I'll keep saying, "Sorry"  
For mistakes I never made  
I'll keep saying, "Sorry"  
Just to make it go your way

Go your way  
'Cause I can't deal without you  
Go your way  
'Cause I can't be without you

Jordan (Ooh-ooh-ooh-ooh)  
I've been dying (Ooh-ooh-ooh-ooh)  
To meet you at your place (Ooh, ooh, ooh)  
Stay in (Ooh-ooh-ooh-ooh)  
Kissing (Ooh-ooh-ooh-ooh)  
'Til you're red in the face (Ooh, ooh, ooh)

Is your mind in focus  
I don't think you notice  
That you're  
Too good for me  
It feels like you're rushing  
Trying to find something  
Bigger than me

I don't  
Wanna  
Deal with  
Drama  
Tryna'  
Pretend  
This is not my problem  
I'll keep saying, "Sorry"  
For mistakes I never made  
I'll keep saying, "Sorry"  
Just to make it go your way

I don't  
Wanna  
Deal with  
Drama  
Tryna'  
Pretend  
This is not my problem  
I'll keep saying, "Sorry"  
For mistakes I never made  
I'll keep saying, "Sorry"  
Just to make it go your way

Go your way  
'Cause I can't deal without you  
Go your way  
'Cause I can't be without you  
Go your way  
'Cause I can't deal without you  
Go your way
