

I've done my best
My best to go alone
In my head
In my head I'm all wrong

One, two, three
One, two, three
Can you hear me?
Can you hear me
Through these walls, these walls?

One, two, three
One, two, three
Can you hear me?
I can't hear myself at all, at all

In my head
In my head I'm all wrong

One, two, three
One, two, three
Can you hear me?
Can you hear me
Through these walls, these walls?

One, two, three
One, two, three
Can you hear me?
I can't hear myself at all, at all
