

## Paul Rudd

Claud

I came here just to party by myself  
Does anybody  
Wanna hold my drink while I pretend  
To like to be alone?

And I hardly even noticed  
You walk in with that atrocious  
Looking guy on your shoulder  
I didn't even look at you

There's nothing else that I have  
Left to say to you

The way I feel  
It's just the way I feel  
And I won't go back  
To holding it in

The way I feel  
It's just the way I feel  
And I must confess 'cause it's us  
It's always been us

You can call it pathetic  
I'm in love, let's just admit it  
Oh, there's nothing wrong with doing that  
I keep telling myself

It was fine when I came over  
Unannounced and you had sold your  
Birthday present, yeah, I noticed  
It wasn't where you kept it

And now I'm regretting this  
Put the nails in my coffin

The way I feel  
It's just the way I feel  
And I won't go back  
To holding it in

The way I feel  
It's just the way I feel  
And I must confess 'cause it's us  
It's always been us

You want me like fall leaves  
To come around once a year  
For photos, memories  
To fill your scrapbook and endear

The way I feel  
It's just the way I feel  
And I won't go back  
To holding it in

The way I feel

It's just the way I feel  
And I must confess 'cause it's us  
It's always been us
