Claud

Say hi
Hi
You're ready?
C'mon

Rolls another joint in the parking lot
She's okay, she's okay
Smokes another blunt right before the shot
She's okay, she's okay

I don't judge when she's touching me
I don't judge when we're on the floor
I just need something to hold on to
Something to keep me sure

We did everything together now we'll never
Everything together now we'll never, we'll never

C'mon

She runs around in circles, she won't get too far
She's okay, she's okay
I'll pay the parking ticket 'cause she pushed me hard
She's okay, she's okay

I don't judge when she's touching me
I don't judge when we're on the floor
I just need something to hold on to
Something to keep me sure

We did everything together now we'll never
Everything together now we'll never, we'll never

C'mon
