

Sideline Star

Claud

Guess that I fell down last week
Everybody knows but me
Didn't notice I was cut
I let the bleeding run
Run all the way to your house
My blood let your dog out
Haven't seen him since
I think you're kinda pissed

God damn, I missed you again
I missed all your messages, not sure how it happened
God damn, I missed you again
I missed you again

Lead me along
Just to move on
I'll still cheer you on
From the sideline

For a bit I thought I hated
Everybody here, they're jaded
They're just a little scared
Can't help but say that's fair

God damn, I missed you again
I missed all your messages, not sure how it happened
God damn, I missed you again
I missed you again

Lead me along
Just to move on
I'll still cheer you on
From the sideline
Lead me along
Just to move on
I'll still cheer you on
From the sideline

Why you gotta be, why you gotta be
Why you gotta be so far?
Are you gonna be, are you gonna be
Are you gonna be my star?
Left me on read in the middle of the night
Gave me no choice but to call my ride
Why you gotta be, why you gotta be
Why you gotta be so far?

Lead me along
Just to move on
I'll still cheer you on
From the sideline
Lead me along
Just to move on
I'll still cheer you on
From the sideline
