

# Forever

Claude Kelly

I Didn't Know What It Meant To Be Alone  
I Didn't Know Till The Day Your We're Gone  
That I Could Ever Feel This Miserable  
Without You here With Me  
But Now I'm Standin Lucking in the mirror  
Wondering whatever happened To Our Love  
Deep Down I Thought That There Would Always Be An Us  
Since You Disappeared I Know  
I Know The Time Waits For No One  
You Gotta Say What You Want If You Were Here With Me Now  
I Tell You You're The One  
Cause You're The Closest Thing To An Angel That I've Ever Met  
So Don't Worry I'll Never Forget You

Although You Can't Be Here By My Side  
I Feel You Near Me When I Close My Eyes  
So I Won't Let Your Memory Come To An End  
When I say Forever That's Just What I Meant  
Forever

Now every moment I'm Imagining Your Face  
And The Little Silly Things You Used To say  
This Is the pain That I Can Barely Tolerate  
Never Thought It'd Be This Rough  
Now When Smile Infront Of People It's A Fake  
Cause Deep Inside I'm Crying For My Baby  
It's Gonna Be A While Before I'm Okay  
Cause Now That You're Gone  
I Know The Time To Waits For No One  
You Gotta Say What You Want  
If You Were Here With Me Now  
I Say that You're The One  
Cause You're The Closest Thing To An Angel That I've Ever Met  
So Don't Worry I'll Never Forget You

Although You Can't Be Here By My Side  
I Feel You Near Me When I Close My Eyes  
So I Won't Let Your Memory Come To An End  
When I say Forever That's Just What I Meant

[Bridge:]  
Won't Let Nothin Come Between Us  
No Matter How Long Or How Hard It Gets  
Don't You Know You Are The Reason  
That I Walk, I Breathe, I Liveee

Although You Can't Be Here By My Side  
I Feel You Near Me When I Close My Eyes  
So I Won't Let Your Memory Come To An End  
When I say Forever That's Just What I Meant  
Forever
