

# Last Time

Claude Kelly

Like its the last time  
Like its the last time  
Like its the last time  
Like its the last time  
Like its the last time  
Like its the last time

If somebody called you,  
Or wrote you a letter  
And in it they told you,  
This was the last night together

Would that even change you?  
Would it even matter?  
Cuz lately you barely  
Look me in my eyes

Tell me, would you cry?  
Tell me, would you hold me  
All through the night?  
Tell me would you tell me  
You were sorry for all the pain you caused me  
What will it take for you to realize?

That when I love a men,  
I love him deeply  
When I give my heart  
I give it completely.

So I don't understand  
Why I have to ask  
For you to love me right  
You should love me everyday like its the last time

Like its the last time  
Like its the last time  
Like its the last time  
Like its the last time

Like its the last time  
Like its the last time  
Like its the last time  
Like its the last time

we're goin' in circles  
I dont see this endin'  
I tell you what I want,  
But you never listen

I wanna make it work,  
But we're totally different  
Maybe you'll shape up  
If I said goodbye

Tell me, would you cry?  
Tell me, would you hold me  
All through the night?

Tell me would you tell me  
You were sorry for all the hurt you caused me  
What will it take for you to realize?

When I love a men,  
I love him deeply  
When I give my heart  
I give it completely.

So I don't understand  
Why I have to ask  
For you to love me right  
You should love me everyday like its the last time

Like its the last time  
Like its the last time  
Like its the last time  
Like its the last time

Like its the last time  
Like its the last time  
Like its the last time  
Like its the last time

I used to blame myself  
For how things used to be  
At night I would question  
What I'm doing wrong

I see it ain't got a  
Damn thing to do with me  
I gave one hundrend  
Percent and more

When I love a men,  
I love him deeply  
When I give my heart  
I give it completely.

So I don't understand  
Why I have to ask  
For you to love me right  
You should love me everyday like its the last time

When I love a men,  
I love him deeply  
when I give my heart  
I give it completely.

So I don't understand  
Why I have to ask  
For you to love me right  
You should love me everyday like its the last time

Like its the last time  
Like its the last time  
Like its the last time  
Like its the last time

Like its the last time  
Like its the last time  
Like its the last time  
Like its the last time

Last time,  
Make everyday and every night  
Like it's the last time.
