

Man In The Mirror

Claude

I'm gonna make a change for once in my life
It's gonna feel real good
Gonna make a difference, gonna make it right
As I turned up the collar on my favorite winter coat
This wind is blowin' my mind
I see the kids in the street with not enough to eat
Who am I to be blind, pretending not to see their needs?

A summer's disregard, a broken bottle top
And a one man's soul
They follow each other on the wind, ya know
'Cause they got nowhere to go
That's why I want you to know

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change
Na-na-na, na-na-na, na-na, na-na

I've been a victim of a selfish kinda love
It's time that I realize
There are some with no home
And not a nickel to loan
Could it be really me pretending that they're not alone?

A willow deeply scarred, somebody's broken heart
And a washed-out dream (Washed-out dream)
They follow the pattern of the wind, ya see
'Cause they got no place to be
That's why I'm starting with me

I'm starting with the man in the mirror (Who?)
I'm asking him to change his ways (Who?)
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change
I'm starting with the man in the mirror (Who?)
I'm asking him to change his ways (Who?)
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change
Na-na-na, na-na-na, na-na, na-na

Mm, oh, oh, oh, oh (Na-na-na, na-na-na, na-na, na-na)
Chan-chan-chan-change
