

Obsessed

Claudia Valentina

If I talk to God she gon' listen
I don't need bad luck or superstition
I could fuck around and still be on top
See you talking 'bout my rounds, don't stop
I could break your heart blowing kisses
When you talk that trash I don't listen
Not the type of person you can trust now
Only give my time to what I love now

Been leaving all these messages on read (On read)
I'll have time for sleeping when I'm dead (I'm dead)
Married to the money, newlywed (Wed)
I'm not sorry baby, I'm obsessed
I'm obsessed

I'm obsessed now, I'ma-I'm obsessed
I'm obsessed now, I'ma-I'm obsessed

Got a one track mind, tunnel vision (Tunnel vision)
On your knees, bow to my new religion
I'm just tryna rack up all this paper
Don't be tryna call on me for favors
If you waste my time you'll regret it (You'll regret it)
I don't waste a dime for a minute (I don't waste a dime)
Never gonna play the game safe now
Why would I give a fuck to second place now?
